CONDIZIONI DI PARTECIPAZIONE - CONDITION OF ENTRY

Possono partecipare i cavalli che alla data di chiusura delle iscrizioni siano registrati in uno stud book riconosciuto dalla WAHO; Nessun cavallo sarà autorizzato ad entrare nel ring se il suo nome ed i suoi dati anagrafici non saranno stampati sul catalogo ufficiale del concorso. Tutti i cavalli iscritti al concorso dovranno essere in possesso di regolare PASSAPORTO EQUINO, comprendente un grafico descrittivo convalidato dall'autorità competente, rilasciato dal competente Registry (direttive CEE). Tutti i cavalli che accedono all'interno del quartiere fieristico dovranno essere muniti di polizza assicurativa a Rischio e Contro Terzi. Il responsabile del cavallo è il proprietario registrato o il locatario, ma la persona che firma il modulo di iscrizione, il conduttore e altro personale di supporto, inclusi ma non limitati a sposi e veterinari, potrà essere considerato responsabile in aggiunta se presenti all'evento o hanno preso una decisione pertinente sul cavallo. Se la persona responsabile designa qualcuno che li rappresenti (ad esempio un avvocato), qualsiasi corrispondenza inviata a questo rappresentante sarà ritenuta essere stata comunicata alla persona responsabile.

Il numero massimo di cavalli giudicato non deve superare 100 al giorno.

Nessun cavallo di età inferiore a 6 mesi può essere esibito senza la madre.

Nessuna fattrice gravida potrà essere esibita se gravida da più di 40 settimane dopo l'ultima data di copertura.

Si consiglia di portare in show un certificato di intervento fecondativo valido (CIF). (Il conduttore deve produrre un CERTIFICATO DI FECONDAZIONE (CIF) valido al momento della richiesta della DC. La DC od i Giudici possono chiedere ad un veterinario un esame rettale.)

An equine passport including a validated graphic description of the horse is mandatory for all international shows in European Union member countries (EEC directives). Each horse entering the fairground must be covered by proper insurance for damages caused. The person responsible for the horse is the registered owner or the lessee, but the person who signs the entry form, the handler, and other support personnel including but not limited to grooms and veterinarians may be regarded as additional persons responsible if they are present at the event or have made a relevant decision about the horse. Should the person responsible designate someone to represent them (e.g. a lawyer) any correspondence sent to this representative will be deemed to have been communicated to the person responsible.

The maximum number of horses judged must not exceed 100 per day.

No horse under 6 months of age may be exhibited without its mother.

No pregnant mare will be shown if she has been pregnant for more than 40 weeks after the last cover date.

- Anybody entering an overqualified horse will be liable to a fine of €600 and the horse will be disqualified.

METODO DI GIUDIZIO DELLE CATEGORIE - METHOD OF JUDGING THE CLASSES

Ogni categoria sarà giudicata da 4 giudici indipendenti e senza catalogo che assegneranno un punteggio da 0 a 20 punti per: tipo, testa e collo, corpo, arti, movimento, con il mezzo punto.

Each category will be judged by 4 independent and without catalog judges who will assign a maximum of 20 points for type, head and neck, body, legs, movement, with the half point.

METODO E REGOLE PER QUALIFICA AL CAMPIONATO

Entreranno nei campionati finali i Cavalli qualificati tra i primi 3 classificati di ogni categoria. Per ogni Campionato finale, saranno premiati solo i vincitori delle tre medaglie: Oro, Argento e Bronzo.

NUMBERS OF HORSES QUALIFIED TO THE CHAMPIONSHIP

Horses qualified among the first 3 classified in each category will enter the final championships. For each final championship, only the winners of the three medals will be awarded: Gold, Silver and Bronze.

REGOLA IN CASO DI SPAREGGIO - RULE FOR TIES

In caso di parità nei primi 5 classificati, il piazzamento migliore sarà assegnato al cavallo con più punti in tipicità. Se sussisterà ancora parità il piazzamento migliore sarà assegnato al cavallo con più punti in movimento. Se sussisterà ancora parità un giudice a sorteggio indicherà la sua preferenza.

The higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points in movement. Failing a decision on either of these, one judge chosen by ballot will name his preference.

METODO ECAHO CAMPIONATO APERTO

I vincitori delle Gold, Silver e Bronze Medal saranno scelti tra tutti i cavalli che si sono qualificati nelle rispettive classi. L'elenco degli iscritti ad ogni Campionato verrà comunicato dalla segreteria al termine delle categorie preliminari. Il Campionato verrà giudicato come segue:

Tutti i cavalli qualificati entreranno nel ring secondo il numero di pettorale del catalogo. I cavalli verranno giudicati individualmente, sia in standing che al trotto. Ogni giudice esprimerà in una sola volta la propria scelta per le medaglie Gold, Silver e Bronze scegliendo fra tutti cavalli qualificati per il campionato.

Ogni cavallo nominato riceverà i seguenti punti:

- Un cavallo nominato da un giudice per la medaglia d'oro riceverà 4 punti
- Un cavallo nominato da un giudice per medaglia d'argento riceverà 2 punti
- Un cavallo nominato da un giudice per la medaglia di bronzo riceverà 1 punto.

La medaglia d'oro verrà assegnata al cavallo con il maggior numero di voti per la medaglia d'oro.

In caso di parità di voti per la medaglia d'oro, la medaglia d'oro verrà assegnata al cavallo con il maggior numero di punti per i campionati.

Dagli altri cavalli: la medaglia d'argento sarà assegnata al cavallo con il maggior numero di punti di campionato.

La medaglia di bronzo verrà assegnata al cavallo con il 2^o più alto numero di punti di campionato.

In caso di parità, saranno seguite le regole per gli spareggi nei campionati.

Sarà selezionato anche un quarto cavallo, che diventerà il vincitore della medaglia di bronzo se uno dei tre vincitori delle medaglie dovesse essere squalificato. Il nome di questo cavallo non sarà annunciato.

Nel caso in cui due o più vincitori di medaglie fossero squalificati, non sarà effettuata nessuna ulteriore sostituzione. Le preferenze dei 4 giudici saranno annunciate dallo speaker pubblicamente.

Tutti i cavalli qualificati per il campionato dovranno prendere parte alla competizione.

Un certificato veterinario redatto dal veterinario della Dc potrà giustificare l'assenza di un cavallo al campionato. Senza il certificato del veterinario della Dc il cavallo verrà squalificato dallo show, cancellate le qualifiche ottenute e squalificato dalle competizioni per un anno dalla data dello show. In questo caso il cavallo qualificato dietro al cavallo eliminato guadagnerà un punto in classifica ma non potrà accedere al campionato.

METHODS AND RULES OF JUDGING CHAMPIONSHIPS OPEN ECAHO METHOD

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship.

The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue. The Championships will be judged as follows: All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers. The horses will be judged individually, standing and trotting. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows

- A horse nominated by a judge for Gold Medal will receive 4 points.
- A horse nominated by a judge for Silver Medal will receive 2 points.
- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points.

From the remaining horses: The Silver Medal will be awarded to the horse with the highest number of championship points.

The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points. In case of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If the highest and lowest points are eliminated, only the remaining points for total, type and movement are considered in the tie break. If there is still a tie, the rules for ties in qualifying places will be applied. The judges will not discuss the horses. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship. All horses that are awarded a medal in their respective Championships must take part in the Championship prize giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.

European Arab Horse Show Commission Blue Book 2021 Rules for Conduct of Shows 28 Rules for Conduct of Shows 1. By participating at a show, show organisers, judges, exhibitors, owners and handlers agree that they will unconditionally submit themselves and the persons assisting and accompanying them to the "Rules for Conduct of Shows" and, as regards veterinary matters and drug misuse, to the relevant ECAHO Veterinary Regulations and ECAHO Rules for Medication Control. The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC). The person responsible for the horse is the

registered owner or the lessee, but the person who signs the entry form, the handler, and other support personnel including but not limited to grooms and veterinarians may be regarded as additional persons responsible if they are present at the event or have made a relevant decision about the horse. Should the person responsible designate someone to represent them (e.g. a lawyer) any correspondence sent to this representative will be deemed to have been communicated to the person responsible. These Rules will be interpreted when necessary under the provisions of the laws of Switzerland. Show organisers are not permitted to introduce rules which are in conflict with the EAHSC "Rules for Conduct of Shows".

2. Horses must be accompanied at the show by a horse passport containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document which includes a graphic description and all vaccination records. If, when a horse attends a show, its passport is at the Registry for any reason, then a letter from the registrar attesting to this must be provided along with a photocopy of the passport, including the description and the vaccination records. The show organizer

3. The show organiser reserves the right to refuse an entry, but must give the reason for refusal in writing.

4. The show organizer will issue a printed show catalogue. The name of every horse must be printed in the show catalogue, as well as the names of sire and dam, (and maternal grandsire if possible), date of birth, colour, the names of the breeder and the owner. Should a horse's name not be mentioned in the catalogue, its participation at the show will be allowed only if the exhibitor cannot be blamed for the omission; it will be for the DC to decide. The show catalogue shall furthermore contain:

- The names of all the Officials,
- The Rules for Conduct of Shows the respective ECAHO generated QR Code,
- The Rules for Conduct of ECAHO Sport Competitions or the respective ECAHO generated QR Code if ECAHO affiliated Sport Classes are scheduled,
- The judging system (i.e. how many topics, 10 or 20 point system and whether halfpoints and deleting highest/lowest point system are used), the rules for ties and championships, the type of championship chosen by the organizer and rules for foal classes (if applicable)

For Shows where prize money is awarded the total amount and distribution of the prize money.

5. No class may be split unless there are more than 10 horses entered. Combination of a class with the next age group of the same sex is permitted if the number of entries for the class is below three.

6. a) No announcement indicating the identity, breeding or past performance of exhibits, or the identity of their owners will be made during judging. It is, however, permissible for this information to be given out after the judges score sheets have been collected for each exhibit. b) Show organisers will not release details of competitors or their exhibits to the press at any time prior to the European Arab Horse Show Commission Blue Book 2021 Rules for Conduct of Shows 29 catalogue being put on sale at the showground. Catalogues will not be offered for sale, published or posted on internet more than one day before the commencement of the show. c) If the same horses participate in multiple events on the same day or consecutive days at the same venue, the following restrictions apply for the judging of these events: ECAHO Affiliated Non amateur halter Amateur halter Sport Non amateur halter 2 1 1 Amateur halter 1 2 1 Sport 1 1 1 1 - Combination is allowed to be judged by the same judge(s) 2 - Combination is not allowed to be judged by the same judge(s). c) If two ECAHO affiliated In Hand shows (e.g. a B Int and a C Nat) are held at the same venue on the same or consecutive days, in which some of the same horses will be competing, two separate panels of judges must be invited, one panel for each show. The judges of the second event cannot be present at the showground during any part of the first event. This restriction does not include ECAHO Sports events, Amateur In Hand classes/shows or non-affiliated events. In these cases, the ECAHO In Hand show(s) must be judged before the others.

7. a) No member of the show organising team may judge, or officiate as member of the Disciplinary Committee. b) If an ECAHO Official or a member of their family is a part of the Organizing Committee of an independent A or Title show, which is not organized by the National Association of the country where the show is held, then that Official cannot officiate at any other A or Title shows. c) Members of the Organizing Committees of A and Title shows may not enter their own horses in a Show which they organize. d) No Judge may judge more than one Title Show within Europe and one Title show outside Europe during the same calendar year. e) No Judge may judge more than 15 Arabian horse halter shows in ECAHO Member countries in the calendar year. No Judge from non-ECAHO Member countries (Guest Judge) may judge more than five Arabian horse In Hand shows in ECAHO Member countries during the same calendar year; of the five shows, only one may be a Title Show and one an A Show. f) No Member of the DC / Ringmaster may officiate at more than 15 Arabian horse shows in ECAHO Member countries in the calendar year.

8. The show organizers will ensure a proper rotation of judges.

9. The show organiser will provide appropriate transport, accommodation and meals during the show, for the judges, DC members, ring master and any other ECAHO show officials. If a judge, DC member or ring master cancels the invitation after the travel

arrangements have been made, he will pay all the costs arising out of this booking. 10. The following minimum daily fees are mandatory and to be paid by the organizer to judges, DC members and ring masters per working day regardless of the actual hours: B International, C International, European and Specific Origin shows: € 100,- / A shows: € 150,- / Title shows: € 200,-. For all other shows a daily fee is optional and at the discretion of the show-organization. Material gifts are always allowed, regardless of the category of the show. Judges, DC Members, Ringmasters and respective probationers, hereafter referred to as 'Official(s)' 11. Officials invited to officiate at ECAHO affiliated shows agree to do so with integrity and honesty and to carry out their duties solely with the objects of ECAHO and the welfare of the horses in mind. European Arab Horse Show Commission Blue Book 2021 Rules for Conduct of Shows 30 12. a) Officials appointed at a show will not knowingly officiate in a class in which horses are entered concerning which there may be an actual or apparent conflict of interest. No official appointed at the show may exhibit, ride, drive or handle an entered horse or pursue any other activity not consistent with his duties at the show in which he is officiating. b) Exhibitors will declare on the entry form any actual or apparent conflict of interest with any of the officials invited for the show. Any exhibitor not declaring an existing conflict of interest, of which he is aware, will forfeit all entry fees and will be prevented from showing the horse. c) Organizers will not accept any entries for which any actual or apparent conflict of interest with one of the appointed officials has been indicated by the exhibitor, unless a reserve official is available. d) Officials will not visit exhibitors' premises or accept exhibitors' hospitality during a 30 day period before or during the show concerned. e) Officials will not accept benefits or gifts that could bring into question the Official's integrity or honesty. f) Any actual or apparent conflict of interest that arises before or during the show shall be immediately reported to the DC. The DC shall consult all parties involved and use all sources to their disposal to decide as necessary. The DC must include all information in their report and forward to ECAHO after the show. At no time may the organizer take any decision that is in conflict with the jurisdiction of ECAHO and its' rules and regulations. g) Any actual or apparent conflict of interest that arises after the show shall be reported immediately to ECAHO for consideration by the SDC. 13. a) An actual or apparent conflict of interest may occur if a horse is exhibited that:

- Is being trained or handled by a member of the official's family
- has been bought or sold by an official either as owner or agent
- has been bred or is owned in whole or part by the official or by a member of the official's family, or business partner in an Arab horse business venture
- has been leased by the official, at any time
- has been bred by or is the property of a breeding organization in which the official is or was an employee
- has been regularly trained, examined or treated by the official in a professional capacity
- is the subject of an on-going negotiation to buy or lease, or a provisional purchase condition to which the official is a party.

An actual or apparent conflict of interest may further occur, amongst others, if the Official, irrespective of the payment or receipt of a remuneration or any other consideration, during the period of one year (365 days) before a show at which the Official officiates:

- has entered into any business relationship with an exhibitor at that show,
- Has received, whilst being involved with the organization of any show or event, sponsorship from an exhibitor at that show or event. This does not apply to those events organized on behalf of a National Association which is a Full Member of ECAHO, as long as the Official has no financial benefit from the sponsorship.
- has performed consulting for an exhibitor at that show,
- has purchased or sold a horse from or to an exhibitor at that show,
- was involved with the breeding of a horse of an exhibitor at that show,
- was involved in similar activities with an exhibitor at that show.
- is employed in any way by the Show organizers.

In case of doubt, the DC's decision will prevail. Any Official must decline to officiate if they consider themselves to have a conflict of interests concerning a horse, its' handler or its' owner(s). 13. b) If, during the show a conflict of interests of which the exhibitor was un-aware becomes apparent, the following options are available: i) if the official with the conflict of interests is a judge or probationer judge, European Arab Horse Show Commission Blue Book 2021 Rules for Conduct of Shows 31

- the judge or probationer judge will suspend his/her duties for the duration of the class and the championship where the conflict exists
- a published reserve judge or another judge from the judges' panel may be used for the class and the championship where the conflict exists
- if the above mentioned (i) is not applicable and if no reserve judge is available or there are no more members of the judges' panel, the total points in the class will be multiplied by the factor of planned number of judges divided by the actual number of judges, to calculate a comparable score in case of ties in championships

ii) if the official with the conflict of interests is a DC member, this DC member will not check the horses concerned either in the stables before the show or in the collecting ring. If the DC member is an employee of the Show Organizer, this DC member must not write the DC Report. Another member of the DC who has no connection to the Show Organizers will write the Report. iii) if the official with the conflict of interests is a

Ringmaster, this Ringmaster may be replaced for the duration of the conflict by: • a reserve Ringmaster • a member of the acting DC All aspects concerning actual conflicts of interests and their consequences will be recorded in the DC report. 14. All officials will receive a list of exhibitors and sponsors from the organizer immediately after the official closing date of entries. Any later entries will be communicated without delay. Judges will not consult the show catalogue before or during the show at which they are judging. 15. In the show ring, all communication between judges and handlers prior to the presentation of prizes will be through the Ringmaster. 16. Judges may withhold any award if in their opinion the exhibit does not merit such an award. 17. The judge, or if more than one, the panel of judges may request that the ring master show a handler a yellow or red card if they consider that there is abuse to a horse or that there is misconduct. Conduct of Halter Classes 18. All handlers at A and Title Shows must be in possession of a valid handlers permit which they must present to the DC in order to participate in the Show. 19. The judge(s) may request that the ringmaster order any horse that is not under control and/or displays dangerous behaviours to be withdrawn and the horse shall be disqualified. 21. The judge(s) may request that the ringmaster ask a handler to open a horse's mouth or pick up its feet for inspection. 22. Exhibits are to be judged standing, walking and trotting. No more than three circles will be permitted in each individual presentation. Should the horse become loose a second time it will be disqualified. 26. All horses that are awarded a ranking in their respective class must take part in the Class prize giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present. Absence of the horse or any representative to appear in the prize giving ceremony will disqualify the horse from the show, with its record of score in the Class being deleted and it will be sanctioned according to Rules for Disciplinary Committees article 16. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Class ranking. Soundness 27. Exhibits that appear to be lame may be assessed and placed by the judges. Judges may exclude any horse so lame that assessment will inflict pain. Rules for adapting score sheets 28.
