3 YEAR AVERAGE RACE RATINGS FOR ARABIAN PATTERN RACES 2018-2020

Dear Mattia,

As you are aware the Supervisory Committee on behalf of the Pattern Race and Handicapper Committee rates all IFAHR Pattern races and accurately assesses the standard of all those races for conformity with the Pattern Race Rules.

As announced at the 2020 IFAHR AGM, due to the Covid-19 pandemic, the committee took the decision not to consider the 2020 racing season as part of the 3-year average. Many races were adversely affected or cancelled. Most results did not reflect the true quality of the races as many horses were unable to travel to events.

We look forward to the Pattern races in Italy in 2021 and we wish you the best of luck.

Yours sincerely

Neil Abrahams

Chairman of the IFAHR Pattern Race and Handicapper Committee
